Thrustmaster of Texas, Inc., Houston, TX. announces the following staff addition

(8/8/2001) -- **Edward “Bucky” Hildebeitel** has recently joined the Engineering Department at Thrustmaster of Texas, Inc., a Houston-based manufacturer of marine propulsion systems as **Lead Mechanical Engineer**. Bucky comes to Thrustmaster with over thirty (30) years of engineering experience in heavy equipment, hydraulic and system design. He received his MSME from Purdue University, with emphasis on fluid dynamics and internal combustion engines. His duties will include product design, engineering and development.
